MASFA Dinner Meetings – Get Yourself Connected

Thursday, January 14, 2010, 5 – 8 pm. Our dinner meeting is the best place in the Northern Virginia, Washington and Baltimore region to network with people in the cold-formed steel industry: Contractors, suppliers, manufacturers, and designers are always part of the mix. Our dinners provide you the opportunity to:

- 1) Network with industry colleagues during our cocktail hour.
- 2) Learn about important industry topics (many of which include continuing education credits) from various industry experts.

Topic: What Do CFS Shear Walls and Airbags Have in Common ?

1.0 PDH Credits for Engineers

Speaker: Greg Bundy, PE – Simpson Strong-Tie Company, Inc.

Continuing Education Credits Available: 1.0
Engineering PDH Credits

Agenda Highlights: Come and learn the answer to this and a slew of other questions pertaining to cold-formed steel shear wall design and construction. We will be discussing everything you always wanted to know about CFS shear walls but were afraid to ask.

- Who is Mother Nature anyways?
- What's the difference between a braced wall and a shear wall...besides the name?
- When are R-factors a factor?
- Where do you think that shear walls going to fit?
- Why's it so important to use the correct __ (fill in the blank!)__?
- How should I handle multi-story load-bearing CFS shear walls...with care?

2010 Sponsors

Time/Place/Cost

- Date & Time:** Thursday, January 14, 2010, from 5 pm to 8 pm
- Location:** Maggiano's Little Italy, Tyson's Corner
2001 International Drive, McLean, VA
