September 28, 2017, 5 – 8 pm – Maggiano's, Tyson's Corner, VA

MASFA Dinner Meetings – Get Yourself Connected

Thursday, September 28, 2017, 5 – 8 pm. Our dinner meeting is the best place in the Northern Virginia, Washington and Baltimore region to network with people in the cold-formed steel industry: Contractors, suppliers, manufacturers, and designers are always part of the mix. Our dinners provide you the opportunity to:

- 1) Network with industry colleagues during our cocktail hour.
- 2) Learn about important industry topics (many of which include continuing education credits) from various industry experts.

Topic: Clearing The Air On The New OSHA Silica Dust Regulation

1.0 PDH

Speaker: Robbie Kolovson-Project Manager, Hilti North America
Continuing Education Credits Available: 1.0 Engineering PDH Credits

Agenda Highlights: The Occupational Safety and Health Administration (OSHA) has issued a final rule to curb lung cancer, silicosis, chronic obstructive pulmonary disease and kidney disease in America's workers by limiting their exposure to respirable crystalline silica. This regulation went into effect on June 23rd, 2017 in Virginia and will be enforced in other areas on September 23rd, 2017. The new regulation, 29 CFR § 1926.1153 reduces the permissible exposure limit and creates several additional contractor requirements. This presentation will give an overview of the silica dust regulation and discuss what contractors need to do to get complaint. This is a must-see seminar for both designers and framers alike as this regulation will have consequences to construction, especially for post-installed anchor applications common on CFS framing projects.

2017 Sponsors

Time/Place/Cost

- Date & Time:** Thursday, September 28, 2017, from 5 pm to 8 pm
- Location:** Maggiano's Little Italy, Tyson's Corner
2001 International Drive, McLean, VA
Phone: 703-356-9000
