Register For MASFA's Quarterly Dinner Meeting & Get Yourself Connected!  
September 22, 2010, 5 – 8 pm – Maggiano's, Tyson's Corner, VA

## MASFA Dinner Meetings – Get Yourself Connected

**Wednesday, September 22, 2010, 5 – 8 pm.** Our dinner meeting is the best place in the Northern Virginia, Washington and Baltimore region to network with people in the cold-formed steel industry: Contractors, suppliers, manufacturers, and designers are always part of the mix. Our dinners provide you the opportunity to:

- 1) Network with industry colleagues during our cocktail hour.
- 2) Learn about important industry topics (many of which include continuing education credits) from various industry experts.

## Topic: Evolution of the Industry – Innovative Beams

1.0 PDH Credits for Engineers

**Speakers:** Al Smith, VP National Sales–Metwood Building Solutions  
James Moses, VP Engineering–LiteSteel Technologies

**Continuing Education Credits Available:** 1.0 Engineering PDH Credits

**Agenda Highlights:** We are starting a new series of seminars that will run periodically among our normal dinner meetings. This new series will focus on the “Evolution of the CFS Framing Industry”, showcasing products and services that take the generic commodity CFS framing we all know and have been using for years and have improved upon them, taking them to the next level. This seminar will focus on two local companies, both MASFA members and supporters, who took general CFS products and concepts and advanced them into beams with greater strength, stiffness, span capacity and economic value.
