April 5, 2017, 5 – 8 pm – Maggiano's, Tyson's Corner, VA

MASFA Dinner Meetings – Get Yourself Connected

Wednesday, April 5, 2017 , 5 – 8 pm. Our dinner meeting is the best place in the Northern Virginia, Washington and Baltimore region to network with people in the cold-formed steel industry: Contractors, suppliers, manufacturers, and designers are always part of the mix. Our dinners provide you the opportunity to:

- 1) Network with industry colleagues during our cocktail hour.
- 2) Learn about important industry topics (many of which include continuing education credits) from various industry experts.

Topic: Fire Stop and CFS Framing: Perfect Together

1.0 PDH

Speaker: Ronald M. Breuer, Mid -Atlantic Region Fire Stop Specialist, 3M Fire Protection
Continuing Education Credits Available: 1.0 Engineering PDH Credits

Agenda Highlights: Many projects in the Mid-Atlantic region involve the installation of interior and exterior cold-formed steel framing in structures with various types of fireproofing and fire stop products. This involves careful planning and coordination by the CFS design engineer and installer to ensure that the CFS framing retains its structural integrity while not interfering with the important task of the fire stop products. This presentation will include a review of technologies associated with fire stopping, required info relative to parameters of assemblies and addressing with either UL or Intertek tested systems. This is a must-see seminar for both designers and framers alike.

2017 Sponsors

Time/Place/Cost

- Date & Time:** Wednesday, April 5, 2017, from 5 pm to 8 pm
- Location:** Maggiano's Little Italy, Tyson's Corner
2001 International Drive, McLean, VA
Phone: 703-356-9000
