MASFA Dinner Meetings – Get Yourself Connected

Thursday, January 13, 2022, 5 – 8 pm. Our dinner meeting is the best place in the Northern Virginia, Washington and Baltimore region to network with people in the cold-formed steel industry: Contractors, suppliers, manufacturers, and designers are always part of the mix. Our dinners provide you the opportunity to:

- 1) Network with industry colleagues during our cocktail hour.
- 2) Learn about important industry topics (many of which include continuing education credits) from various industry experts.

Topic: Contractor Town Hall

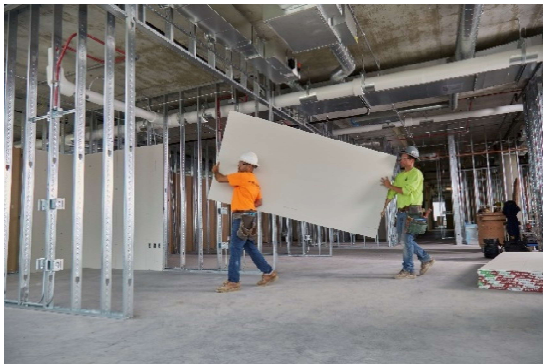

1.0 PDH

Speakers: Paul Gallagher, Vice President - C. J. Coakley Co., Inc.
David Huff, SPW Division–DPR Construction

Continuing Education Credits Available: 1.0 Engineering PDH Credits

C. J. COAKLEY CO., INC.

Agenda Highlights: One of our biggest resources within MASFA is our contractor members. While MASFA exists to promote the use of cold-formed steel, we recognize that our contractors are paramount to the success of our industry. This upcoming meeting will be a platform to allow MASFA to hear from our contractors. What do we have in common? What are the things that worry you – Manpower, getting paid, getting work? Change orders? Come and share your successes and concerns. MASFA is offering the networking opportunities to help you succeed.
