Steel Leads the Way

# Mid-Atlantic Steel Framing Alliance

Register For MASFA's Quarterly Dinner Meeting & Get Yourself Connected!  
September 15, 2022, 5 – 8pm - Union Jack's, Columbia, MD

## MASFA Dinner Meetings – Get Yourself Connected

**Thursday, September 15, 2022, 5 – 8 p.m.** Our dinner meeting is the best place in the Northern Virginia, Washington and Baltimore region to network with people in the cold-formed steel industry: Contractors, suppliers, manufacturers, and designers are always part of the mix. Our dinners provide you the opportunity to:

- 1) Network with industry colleagues during our cocktail hour.
- 2) Learn about important industry topics (many of which include continuing education credits) from various industry experts.

## Topic: CFS and Construction in 2023: The Only Constant is Change

1.0 PDH

### Speakers:

Larry Williams, Executive Director, Steel Framing Industry Association (SFIA)  
Rick Johnson, Director of Consulting and Strategic Advisory, Thompson Research Group (TRG)

Continuing Education Credits Available: 1.0 Engineering PDH Credits

### Agenda Highlights:

Nearly two years out from the sharp onset of the COVID crisis, the economy and construction industry are still feeling the impacts of this unprecedented event. As the recovery spools out, questions persist on how this will play out for the cold-formed steel framing industry. The September 15 meeting of the Mid-Atlantic Steel Framing Alliance features two guest speakers who will address this issue from the perspectives of near-term economic expectations and industry trends that may be accelerated or restrained. Come prepared with your questions and concerns about steel availability, its costs compared with wood and other materials, and anything else that has impacted your projects and your business.
